

Look to the East

March 2000

Greetings from the

Progress.

Masonry, by design is progressive. From the original Guilds of operative masons, to the present day Lodges of speculative Masonry.

As you all know by now Plymouth Kilwinning Lodge has been brought into the 21st century. We now have a new computer, a redesigned newsletter, and soon our own web page. I would like to personally thank the persons responsible for all their work in this endeavor.

Even more importantly, in the past several months our younger members are stepping up to take a more active leadership roll in our Lodge. This is the heart and sole of Masonry in process.

From the West....

I would like to take this opportunity to congratulate the triplets as being regularly initiated as Entered Apprentices. In addition, I would like to extend congratulations to our newest brother Fellow Craft. Recently, I have been attending degree work at various area lodges. This has given me the opportunity to view many individuals coming into masonry. This makes me proud to be a part of the brotherhood. It also has given me insight into the great dedication and skill present within our own lodge. For example, Jim Daugherty II sat in the East for the most recent entered apprentice degree work; and Jim Butler sat in the East for the fellow craft. Although this was a first time for both brothers, you would never guess it because of the outstanding work done. Everyone in the current chairs is new for this year, and doing great work. I hope this encourages those of you who have not been to the lodge lately, to come and see the exceptional work. Please call me or one of the officers on the back on this newsletter if you have any questions or need a ride.

Sincerely,
Ty Kuhn

From the South.....

We will again make history on March 16, 2000 as the triplets will be passed to the Fellow Craft Degree. The meeting starts at 7:30 p.m. and your presence is requested to help them on their way. A large group will show them that we are excited about their actions.

Time flashes by and we are motivated to do those tasks which we have put off in favor of doing other things. But, as Masons, we have a task that is enjoyable and enlightening and that is to attend those called meetings for Degrees. We have an FC Degree on Thursday, March 16th. Looking forward to seeing many of you then.
