From the East.....

Brethren,

Congratulations to all for another record breaking parking project. Scheduling and planning this year seemed to be much smoother, as we continue to refine a good system. Our thanks to Brother Mike Woolfington for his generosity in the use of his motor home for our site office.

On November 1st at 7:30 p.m. our Lodge will be host to the Bremen and Bourbon Lodges for our annual Lodge of Instruction. Dinner will be served at 6:30. Please make reservations for dinner and plan to attend this educational meeting. All officers are required to attend this meeting...they will need to verify their cipher rituals with Brother Ray. Practice dates will be scheduled at the October stated meeting.

Worshipful Master

From the West....

I would like to talk about something most people find uncomfortable. It has happened too many times that a widow or member of a deceased brother has returned an apron to the lodge, not knowing what to do with it. Unfortunately the family knew nothing about the option of a Masonic memorial service. Take the time to express your wishes if you would like a memorial service. Be sure to tell someone in your family where your apron is and that you would like to be buried with it. In fact, as silly as it may seem, it may be a good idea to even write your own obituary. This is so your grieved love ones won't have the difficult task of reconstructing your past. Most importantly, so that your involvement in organizations that are important to you, won't be left out.

Senior Warden

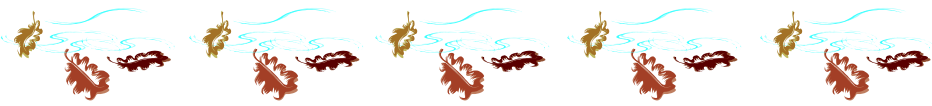

Just a thought...

Live your life so that if you were arrested for kindness, there would be enough evidence to convict you!

Broken Pillar....
